

The
Sweetest
Song
of Torah

ישיבת נפש דוד

— YESHIVAS NEFESH DOVID —

The International Yeshiva for Young Men with Hearing Loss

In Shomayim, there is a holy map
of Mekomos HaTorah where the
Song of Torah is sung day and night.

Baruch Hashem, the Torah world is growing and thriving!

Walk into any Yeshiva and you will behold the beautiful sight of Rebbeim guiding, talmidim learning, and the song of Torah echoing in all corners of the building.

The song of Torah reverberates in Batei Medrashim around the world.

My Precious Children

We know Hakadosh Baruch Hu takes great pride in those who learn despite difficulties. It is those words of Torah that are the sweetest song to Hashem, borne of a purity of the soul and devotion of the heart.

Indeed, He looks on proudly and declares to his Malachim...

אֵלֹהֵי הַשָּׁמַיִם אֲבֹתֵינוּ!

Sweet Signs

Today, in the halls of Yeshiva Nefesh Dovid, that sweet song can be seen every day. Young boys from around the globe have found their way to Nefesh Dovid with a common purpose – to prove to themselves and to the world that hearing loss cannot stand in the way of becoming a true Ben Torah.

Many of these talmidim have left their homes from thousands of miles away, much like the mesirus nefesh of our ancestors of the past, to join a Yeshiva that addresses their needs and enables them to become full-fledged musicians in the symphony of Torah.

They compose sweet songs with the sign language of their hands, while the conductor, their Rebbi, weaves the age-old composition of Torah...

The Greatest Concert Hall

Now, Nefesh Dovid has found a home of its own, a place to house the budding Talmidei Chachamim who have come to learn in the only Yeshiva in the world that “talks” to them.

This new home will enable Nefesh Dovid to reach out and teach more young men who would otherwise have no chance to join the ranks of Bnei Torah. It will give each child a place to call home; a place to learn, to grow, and to realize their potential in a way they never knew possible.

It is said that in Shomayim there is a map of all the Mekomos HaTorah in the world, all the places where the song of Torah can be heard. There is no doubt that the new home of Yeshivas Nefesh Dovid will occupy a prominent spot on that map as one of the world’s greatest concert halls... a place where the sweetest song of Torah never ceases!
